LET'S GO RACK TO THE FUTURE

WHERE WE'RE GOING, WE DON'T NEED ROADS!

Tit twins: Linsey Dawn McKenzie (above) and Karla James.

By Dave Rosenbaum

How many times have you looked at a new *SCORE* Girl and thought, "She looks just like..." or "Her boobs are the same as..." or "Something about this girl reminds me of..."?

If you're a long-time *SCORE* Man, that's probably happened many times. And that's what this issue is all about.

We're calling it "Rack To The Future," a play on the name of the 1985 time travel movie. We could have called it "The Deja Vu Issue" because when we see some of these newer girls, it's like we're seeing an old favorite all over again.

Sha Rizel? She has a waist that's incredibly small for a girl as busty as her. Kinda like Sharday.

Vanessa Y.? Her hairy pussy is a throwback to the 1980s and '90s and girls like Jeannine Oldfield.

Erin Star? Her big naturals are shaped almost exactly like Christy Marks' and hang the same way.

Some of the similarities are astonishing and obvious. Danni Ashe and Valory Irene practically have the same tits. Facially and bodily, Natalie Fiore and Newcomer of the Year Lara Jones could be sisters.

Other similarities are more-subtle but, upon closer examination, become wonderfully pleasing. Such is the case with 1980s legend Debbie Jordan and Colombian beauty Shara Lopez as well as 1990s superstar Chloe Vevrier and Romanian beauty Alexya.

As for another obvious one, Linsey Dawn McKenzie and Karla James...well, the truth is, we used only never-before-published pictorials of the newer girls, and we simply do not have any new photo sets of Karla.

Of course, this is the annual all-naturals issue, so all the girls have one thing in common: They're naturally stacked.

By the way, feel free to tell us which pairings we might have missed. We're sure you have a few in mind.

But, for now, enjoy going "Rack To The Future" with *SCORE*! It's going to be the ride of a big-boob loving lifetime!

BEAUTY & THE BREASTS: IT'S NOT ALL ABOUT THE TITS, AFTER ALL!

Dear *SCORE*,

The "Beauty & The Breasts" special (June/July '18) was spectacular. The cover was stunning. All of the girls you included are beautiful in every way. These are truly girls who have it all: face and body. This just goes to prove that *SCORE* isn't just a big-boob mag. It's about overall beauty, too.

Here's my top five:

1. Sha Rizel
2. Ines Cudna
3. Hitomi
4. Chloe Vevrier
5. Kelly Kay

If you count Hitomi, who had a pictorial elsewhere in the issue, three of them made it into the issue, although, as you pointed out, if you included every beautiful girl who has ever been in *SCORE*, you would've needed a year's worth of magazines. Make "Beauty and the Breasts" an annual feature!–J.T., Milwaukee, Wisconsin

The girl-next-door beauty of Kelly Kay (above) made her a star in the mid-2000s. Sha Rizel (left), one of the most-beautiful girls we've ever featured, was among the stars of "Beauty & The Breasts" in the June/July '18 issue.

Kaytee Carter is a classic American beauty.

HIS TOP 10 BEAUTIES LIST GOES DEEP INTO THE *SCORE* ARCHIVE

Dear *SCORE*,

"Beauty & The Breasts" (June/July '18): great topic. Having gone through back issues from 1998 to now, my top 10 are:

1. Tera Cox
2. Chaz
3. Michelle Bond
4. Sha Rizel
5. Kaytee Carter (most-underrated)
6. Demmy Blaze
7. Kelly Kay
8. Lisa Marie Greener
9. Ines Cudna
10. Daizie Kellogg

Honorable mentions go to Linsey Ward, Nicole Peters, Anna Song, Terri Jane and Katie Thornton.

YEP, SOMETIMES IT'S HARD TO LOOK A *SCORE* GIRL IN THE EYES

Dear *SCORE*,

Awesome topic but so, so difficult to make choices. A monumental challenge for any big-boob lover to stay above the shoulders and strictly focus on facial beauty alone.

SaRenna Lee, Katie Thornton, Sha Rizel, Juliana Sims, Busty Dusty…the trouble is, I get flooded with, "It should be this or that model."

Tremendously challenging. Having been parked on this train of thought for the last little while, I have to add five more to round out the 10: Michelle May, Alexis Love, Pandora Peaks, Maserati, Micky Bells, .and since this one goes to 11, I have to conclude with Daylene Rio and again profess that this is the most-difficult list to compile. It's akin to voting each year for all the awards categories: Model of the Year, top hardcore performer, top newcomer, etc. It has gotten insanely difficult over the years.

TSG: simply as good as it gets for the faithful.–Seth, via email

Whether you're looking at her face or tits, SaRenna Lee is a visual treat.

COMING SOON: ON LOCATION NORTH COAST!

WE JUST WRAPPED OUR BIGGEST SHOOT SINCE THE BOOB CRUISE!

From left-to-right: Alexya, Codi Vore, Kitty Cute, Daria, Sha Rizel, Erin Star, Helen Star and Demmy Blaze.

In the above photo, Alexya relaxes in the sun while Codi Vore snaps some smartphone photos of Sha Rizel. In your future: photos and videos from our biggest on-location shoot since the Boob Cruise. Eight girls, all naturals–Alexya, Codi, Sha, the Star Sisters, Kitty Cute, Daria and Demmy Blaze–traveled to the Dominican Republic for *On-Location North Coast*. The film crew returned home just before press time, and you have a lot to look forward to!

No argument here: Dakota Kelly is truly beautiful.

Beautiful Gianna Rossi in beautiful Eleuthera, the Bahamas.

WHAT'S YOUR "BEAUTY & THE BREASTS" LIST? HERE'S HIS!

Dear *SCORE*,

An interesting challenge since the concept of facial beauty is so subjective from one viewer to the next. Of course, I suppose any ranking like this is pretty subjective, so here's my attempt at a top 10 in reverse order:

10. Ms. Yummy
9. Via Paxton
8. Katarina Dubrova
7. Sharday
6. Gianna Rossi
5. Carrie
4. Danni Ashe
3. Kelly Christiansen
2. Chloe Vevrier
1. Dakota Kelly (and if you don't believe that's true, check out Dakota in the *SCORELAND* archives).–CVN, via email

Love that glass table! Hitomi shows her tits, legs and the bottom of her feet at the same time!

THERE'S ONLY ONE GIRL ON HIS "BEAUTY & THE BREASTS" LIST

Dear *SCORE*,

By far, Hitomi (June/July '18) is the most-beautiful woman *SCORE* has ever featured. She has a body that is one in billions, and she has a wonderful, beautiful face that can go, in a blink, from funny and happy to meltingly erotic and seductive. She is, in one word, a goddess.–E.P., via email

HITOMI IN YOUR FACE: WHAT FANTASIES ARE MADE OF

Dear *SCORE*,

Hitomi's giant whoppers in my face are what dreams are made of (June/July '18). She's not only the greatest Asian natural ever but the greatest natural, period, and this pictorial proves it. The angles are incredible. It's like we are there. The boob mashing and squeezing is like something out of my wildest sexual fantasies. The video that came with the issue, in which we see Hitomi's tits swaying and mashing and get to hear Hitomi's sexy voice, was the topper. Incredible use of that glass table, gentlemen, and being a leg and feet lover, too, I loved the closeups of her soles.

Hitomi is stunning in every way. I hope the only reason you didn't include her in the "Beauty & The Breasts" special was because she already had a pictorial in the issue. If not, that was a tremendous oversight on your part. –L.M., Portland, Oregon

Dear L.M.: That's the one and only reason Hitomi wasn't in the "Beauty & The Breasts" pictorial. We never forget Hitomi. And you'll be happy to know that she returns on page 22 of this issue.

VANESSA Y.: THE POLISH BABE WHO NEVER DISAPPOINTS

Dear *SCORE*,

Vanessa Y. (June/July '18) always makes me blow my load in her P.O.V. fantasy sex scenes, long before the end of the video, and then again with the cream ejections! I'd love to see her again, handling and pleasuring more

TINY WAISTS, BIG RACKS

RACK TO THE FUTURE

SHARDAY AND SHA RIZEL HAVE THAT RARE COMBO!

Basically, what you're looking at right now is physiologically impossible. When a girl has huge, natural tits, she usually has a slightly thicker waist to go with them. But *SCORE* Girls aren't like all other girls, and Sharday, the Puerto Rican "Teen Tit Dream" who won 2001 Newcomer of the Year and 2002 Model of the Year, and Sha Rizel are proof of that to the extreme. A girl is not supposed to have big, fat tits and a tiny waist. But Sha and Sharday do, and it's an incredible sight.

The pictorials in this issue will follow a format similar to this one. First, we'll get a side-by-side look at the girl from the past and the girl of the present. Then we'll travel to the present for more photos of the newer girl before being treated to one more comparison later on. So, now that we've gone "Rack to the Future," here are some new photos that show Sha at her finest. "I'm very happy with myself and my breasts," the Ukrainian beauty said. "I'm comfortable with them and I'm happy that God gave them to me so I can be a model. Everything I am is from my mother." Talk about "Rack to the Future!" Maybe we should have shown Sha and her mom side-by-side. Sha not only has big naturals and a tiny waist. She also has a fashion model's face, long legs and soft, sensuous skin. Said one fan, "Sha is so beautiful, I can't help admiring every aspect of her. It's nice that she is aware of her beauty and proud to share it with us. It will be fun to watch her take her place among all the supermodels who preceded her." She's doing that.

Sha opens wide to give us a glimpse of paradise. On the facing page, bananas and creamy tits. And on the next spread, one more look at the Sha-Sharday comparison. Although it's not really a comparison. It's more of a tribute to a great girl of the present and another great girl of the past. Said Sha, "Sometimes guys are with their girlfriend or wife, and they get mad when their men stare at me. I think that's funny." We think a man would be crazy not to stare.

LET'S TIME TRAVEL ALONG THEIR CURVES!

We considered two girls for this pairing with Sha: Sharday and Devon Daniels. Either would have been appropriate, but we decided upon Sharday because…well, because we had to make a decision! Sha, of course, takes the idea of slim 'n' naturally stacked to a whole new level. Her tits are F-cups. Her chest measurement is 40". Her waist is only 22", compared to Sharday, who has a 26-inch waist. But the similarity between the two girls is striking. Look at how their bodies taper: out then in then out again. Amazing!

SUPER HANGERS!

RACK TO THE FUTURE

AUTUMN-JADE & HITOMI LOVE TO HANG OUT!

Who to match up with Hitomi, who has, indisputably, the greatest pair of hangers in *SCORE* history? Micky Bells? Great, but too recent. Venera? Also a bit too recent. Elliot James suggested, "Young Autumn-Jade, before she got super-busty." And then we thought, "Why not Autumn at her busti-est, in the early 2000s?" But, hanger-wise, could superstar Autumn-Jade be the equal of younger Autumn, when she was less busty? Sure enough, the proof was in the pictures.

In these never-before-published photos, shot on-location in Los Angeles, California (5,475 miles across a very big pond from Tokyo, Japan, where Hitomi and her hangers reside), Hitomi gives us a teasing look at her butthole then lies on her side and does what she does best: She lets 'em hang! No wonder she won Model of the Year an unprecedented three years in a row (and a *SCORE* Award four years in a row, counting her win in the 2012 Newcomer of the Year contest). How great is Hitomi? Well, with her 23-inch waist, she could have been our representative in the "Tiny Waists, Big Racks" pictorial. Her waist is only one inch larger than Sha Rizel's.

Here's some behind-the-scenes information: Hitomi is a little self-conscious about the way her breasts hang. The thing is, most girls think of tit perfection as firm and perky, and Hitomi feels the same. She doesn't quite comprehend how special her hangers are. In the Nov. '15 issue, There's a photo of Hitomi taken at Stiltsville in Miami (that's where the houses are on stilts in the middle of the ocean). Hitomi is bent over a railing, and the way her tits hang is simply spectacular. We've received more comments about that photo than any other that Hitomi has taken. But Hitomi's reaction was, "You like that photo?" Hell, yes!

HANG 'EM LOW, GIRLS! HANG 'EM PROUD!

RACK TO THE FUTURE

The photo at the top of this page was taken in 2001, when Autumn-Jade returned to modeling, her breasts having ballooned from somewhat-modest DDD-cups to the I-cups that would make her a *SCORE* covergirl. "Does she still have those great hangers, even though her tits have filled out?" we wondered before she came to our studio? Indeed, she did, but they were hanging more fully throughout. Autumn's boyfriend at the time, who fucked her in her only XXX scenes, said he could feel the heavy weight of her breasts when he did her doggy style and her tits hung into his hands. Lucky guy. And we're lucky to have had Autumn and Hitomi.

"When I was in my teens, I had an inferiority complex because of my big breasts, but after I became a model, I became more self-confident of my body," Hitomi said in Japanese through her smartphone translator app that's always handy when she comes to the United States. "I am proud of my career. I realize my breasts make me special." She is, of course, the world's bustiest slim 'n' stacked Asian natural, a crown she figures to wear for a long time. She's also a quiet, somewhat shy babe who doesn't dress to show off when she's out and about. In fact, when she's wearing her everyday clothing, you'd hardly know she's busty or has a pair of the greatest hangers in the world…unless you have keen big-boob radar like we do. But when her clothes come off, there's no doubt.

SEPARATED AT BIRTH

RACK TO THE FUTURE

NATALIE FIORE & LARA JONES COULD BE TWINS

That's what Elliot James wrote in the August '18 installment of "Boob Beat," and, as usual, The Boob Master was right. Natalie was very busty in 2006 when she traveled to The Bahamas for her debut, but for this "Rack to the Future," we zeroed in on her 2009 shoots in the Czech Republic, when her tits had become fuller and heavier. But it's not just their tits: Head-to-toe, Natalie and Newcomer of the Year Lara Jones look more alike than real sisters Erin and Helen Star.

We are in the middle of a spectacular era for big, full, heavy naturals that dominate a girl's body. Lara has 'em. So does 2017 *V-mag* Model of the Year Demmy Blaze. We dare say (and we always get in trouble for making this comparison) that Lara's rack is even fuller than Linsey Dawn McKenzie's. Karla James is another girl who fits into the category of, "Her tits dominate her chest!" It's no wonder that Lara won 2017 Newcomer of the Year, even though readers didn't see her until the last issue of the year (and didn't see her again until she was crowned in the May '18 issue). It just takes one look to know that Lara is special.

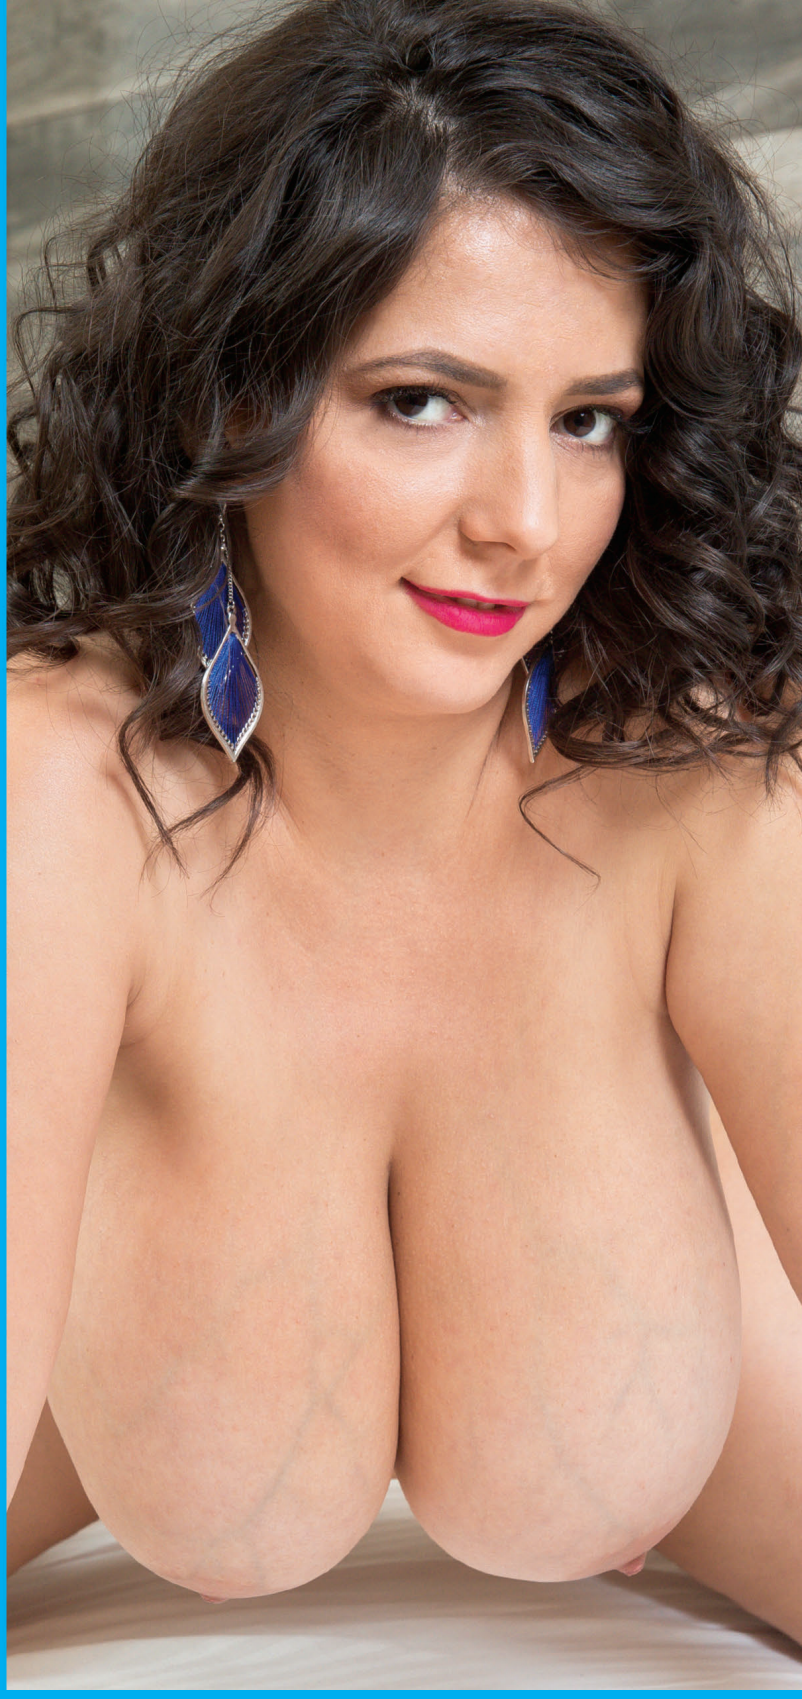
FROM EUROPE WITH BIG, FAT TITS!

Natalie and Lara are different in subtle ways–Natalie's areolae are wider and darker, Lara's tits are a bit fuller–but similar in more-important ways. Lara's hairstyle is similar to the one Natalie sported in 2009. They have similar facial structures and smiles, that, "Am I being naughty?" look. Their midsections are also similar. And, of course, their racks are heavy and hang similarly. By the way, both girls are European and speak several languages. Although Natalie has never won a year-end award in *SCORE* or *Voluptuous* (proof positive of how spectacular our girls are), she has become an all-time great and is one of the girls featured in the "*V-mag*'s 25 Greatest Girls" pictorial in the September '18 issue of *Voluptuous*. We think Lara will one day join that group. Another similarity: Both girls are comparatively modest in their posing. There's a limit to how hot they'll go. But that's okay. They both bring a boob bounty.

RACK TO THE FUTURE

"I never see girls with boobs as big as mine," Lara said. "I always look at other women because I always want to know if there exists girls with bigger boobs than mine. I can't imagine that there are, but I am very interested to see because I am always curious." We're very curious, too. If there are girls as naturally busty as Lara, we want them in *SCORE* right away. "So far, I am the only one," she said.



Natalie Fiore has been modeling for over 12 years and is still charming the pants off of every big-boob lover in the world. We've seen her as a ***SCORE*** Girl, a V-Girl and as a super-busty preggo with a huge, round belly. You could say that big-boob modeling has become Natalie's life… her *raison d'etre*, so to speak. We're not sure Lara will follow the same course. Although she enjoyed her two modeling assignments for ***SCORE*** and *V-mag*, something tells us that this will be just a fling for Lara, something she did for fun. But that's okay. Better to have seen a little of Lara than none of her at all. Girls like her are once in a lifetime. Or twice!

BUSTY BUSH BABES

RACK TO THE FUTURE

JEANNINE OLDFIELD AND VANESSA Y. ARE REALLY *AU NATUREL!*

Bush. Hairy pussy. These days, it seems like it's a thing of bygone days. Not only nude models and porn stars are shaving their snatches. Girls in all walks of life are doing it, too. But some girls refuse to go with the flow. They buck the trend because they love how hair looks down there. They know their men like it, too. In 1988, Jeannine Oldfield wasn't bucking against style. A lot of girls back then had bush (although usually not as full and lush as hers). As for Vanessa…she's bold!

Vanessa once told us, "Sometimes I think my boobs are too big." An impossibility, yes, but she's never said, "Sometimes I think my pussy is too hairy." At our request, because we wanted to see it, she did shave her bush once, but that video was greeted with such horror from her fans that she quickly grew it back. "I never planned to stay shaved," she told us. "I was only doing it because you asked. I love having hair down there. It makes me feel more feminine, and men pay so much more attention to my pussy because of it." Hey, when a girl is stacked like Vanessa, she's gotta do something to draw attention from her tits.

The two-time *Voluptuous* Model of the Year from Poland is one of the rare models who has become more popular as she's matured. That's because her breasts got bigger. It happened when Vanessa stopped smoking cigarettes, a good decision for any reason. Most people eat more when they stop smoking. They gain weight. Some-times, the weight goes to their ass, belly or thighs. Vanessa's weight went to her chest. So, Vanessa could be a great spokesmodel for the "Stop Smoking, Get Huge Tits" campaign that's sure to be a lot more effective than any "Just Say No" bullshit. Besides, just try saying no to Vanessa.

30 YEARS APART, SAME HAIRY PUSSIES

Like we said, Jeannine wasn't an anomaly during her brief modeling career that started in 1988 and ended too soon afterward. Lots of girls had bush, so Jeannine's primary physical features were her big, natural tits. As *SCORE* chief John Fox recalled, "Jeannine was studying to be a chef when she first called John Graham's London photo studio inquiring as to whether he was looking for models. She had heard from a friend that he was looking, she told photographer Dave Antony who answered the phone that day. Because John was in the States on business, Dave asked her to come around to the studio, where he took the first nude Polaroid shots of this model, who would later be considered one of the decade's best." And if she had come along 25 years later, she would be considered one of this decade's best, right alongside Vanessa Y., her boob sister in bush, proudly natural in every important way.

Said one reader, "I love a woman with pubic hair, from landing strips to full bush! We need more of that, much more. The totally shaved look is too overplayed these days. I'm tired of women's vaginas looking like they are too young to be seen naked. It's high time pubic hair made a comeback. All who agree, let's hear your voices! Those that don't…I will still defend to the death your right to speak your mind as well…I guess." Fact: Some girls look better than others with bush. Vanessa looked great with a shaved pussy. She looks even better with a hairy pussy. It has become her trademark, and we wouldn't want her any other way.

KNOCKOUT BLONDES

RACK TO THE FUTURE

INES AND KATARINA: CLASSIC BEAUTIES WITH BIG NATURALS!

The allure of the knockout blonde with big tits and a curvy body goes all the way back to the 1950s, when Marilyn Monroe and Jayne Mansfield were sex superstars. It probably goes back even further than that, as long as man has had eyes, a beating heart and a cock. Polish beauty Ines Cudna, who stunned the big-boob world when she debuted in 2003, and Czech knockout Katarina Dubrova are classic knockout blondes who share one more alluring trait: They look so innocent.

We were surprised when Katarina did her first tits ‘n’ tugs scenes in Hungary (during the *Busty Riding Academy* shoot). The amazing part about those scenes was how she managed to look innocent even when she was jacking a total stranger’s cock and taking his load all over her big naturals. Even here, flush with passion, jacking a dude’s cock and then sucking it deep, doing the things most girls don’t do on-camera, she retains her innocence. Some things can not be explained.

SCORE
SEPTEMBER 2018 ✷ KATARINA DUBROVA

FACE OF AN ANGEL, BODY OF A *SCORE* GIRL

Elliot James once wrote, "Ines Cudna's beauty is almost on an ethereal, angelic plane. She is as beautiful as any of the most beautiful movie stars. Her drop-dead gorgeous face stops a man in his tracks, and then, her very big, lovely breasts provide the second punch." As you saw on the opening page, the real knockout punch comes when Ines shows off her big, pliable pussy lips. Why is it that we're surprised when a girl who looks like Ines has *that* pussy?

Writing about Katarina, Elliot said, "Katarina has the body of a fashion model and the big boobs of a *SCORE* Girl. Even when Katarina's glammed up and made-up, she still looks like the girl-next-door." Katarina is so beautiful that she has long graced the entrance page to eBoobStore.com. Like Ines, she doesn't have a single tattoo or piercing. Like Ines, she stops men in their tracks wherever she goes…and that's with her clothes on. Stunning.

RACK TO THE FUTURE

We were surprised in 2014 when Katarina did her first all-the-way hardcore scenes, sucking and fucking on-camera, and absolutely floored when she not only posed naked while very pregnant but also fucked while pregnant, something even most experienced, very slutty porn stars don't do. So here's the package, and see if you can top this: Katarina is blonde and beautiful and looks so innocent. And she fucks on-camera for all the world to see and still retains the charms that made her a star in the first place. Meaning you can still take her home to Mom.

FUCKIN' HUGE!

RACK TO THE FUTURE

MIOSOTIS & RACHEL RAXXX ARE MEGA-TITTED FUCK DOLLS

When Miosotis debuted in 2010, we had never seen anyone like her and figured we'd never see anyone like her again. The slim 'n' stacked stunner from the Dominican Republic had KKK-cup naturals and a 50-28-36 body. And she fucked on-camera. She was one-in-a-billion. But in 2017, we discovered another girl whose natural rack was nearly as big and who also fucked on-camera. On top of that, she was only 18 years old. Miosotis and Rachel: Proof that sometimes, you get lucky.

Rachel wants to fuck and Jimmy wants to fuck her, but the fact is, every girl has a pussy. Very few girls have tits like Rachel's. So, Rachel's sex session begins as it always does. "Guys always want me to smother them with my breasts," she said. "I'm happy to."

CHECK LIST

RACHEL RAXXX

BIRTHDAY: November 15 **HEIGHT:** 5'5" **WEIGHT:** 138 lbs.
BRA SIZE: 30JJ **MEASUREMENTS:** 42-26-32
PREVIOUS APPEARANCES: May '18, Dec. '17 (XXX), April '17 (XXX), Dec. '16 **MOVIES:** *The Breast of SCORELAND 3*, *Busty Brown Sugar 2* and *Big Tit A-List 4* (XXX-Rated); *All Stacked, All Natural 7* (X-Rated). Order on page 99. *Voluptuous Xtra 18* (XXX-Rated) & *SCORELAND Awards* (X-Rated) are available at eBoobStore.com. Free video of this pictorial with this issue.

Speaking of tit-sex, Rachel said, "Sometimes I put them in their face. A lot of times, I don't have to do anything. They just go for them. Grab on them or suck on them. I can wrap them around their penis and jack them off with them. When I put them on their face, they can't breathe or see or move. They're like weights. I have the guy sit on my lap and take a deep breath. Then I take my boobs out. Then I lay them on the guy's face. They can't see or breathe. Then I move them around their face a little. You can do a lot with big boobs. Boobs are fun. I like having them." Rachel's favorite position is 69, and she has sex three or four times a week. She's fucked a former-boyfriend in a theater and did a 69 with another girl and sucked on her boobs while a guy fucked the other girl. "If a guy needs a girl to take the lead, I'll do it." Which is surprising considering how young she is. We've had only a handful of girls who fucked in their teens, and we're always shocked by how good they are at what they do.

NATURAL WONDERS OF THE WORLD!

We mentioned in the introduction to this issue (page five) that for our girls of the past, we tried to reach as far back as possible. This pictorial is an exception because until Miosotis came along in 2010, we had never had anyone like her, not even Sammie Black or Jenny. So excuse us if this particular journey in our big-boob time machine is a bit shorter than the others. It's just as satisfying. Miosotis, who is from Monte Cristi in the northwest Dominican Republic, once told us that a lot of the girls where she grew up have big breasts and there might be something in the food or water. But if that's the case, how come none of the girls from Monte Cristi look like her? As for Rachel, the fact that she's so busty is amazing. The fact that she's still in her teens boggles the mind. She's a lot younger than Miosotis and could end up bustier. Her tits will probably start hanging more. We can't wait to find out.

RACK TO THE FUTURE

Yeah, some guys cum in Rachel's tight, young pussy, and some have cum on her face or in her mouth, but we all know where we'd want to shoot our loads: on those giant jugs. Rachel is happy to accommodate. "It's hot, it's nasty and it's fun," she said. "Sometimes a little bit will get on my face or in my mouth, and that's okay, too. Guys love to watch me rub cum into my tits." Guys love Rachel.

RACK TO THE FUTURE

DEBBIE JORDAN AND SHARA LOPEZ DO GREAT THINGS WITH THEIR TITS!

At first glance, there don't seem to be many similarities between Debbie Jordan and Shara Lopez other than that they're both short 'n' stacked naturals. Debbie Jordan was a British model who was discovered in 1984 and modeled into the early '90s. Shara Lopez is a Colombian hottie who debuted in *SCORE* this year. Debbie is a classic Caucasian. Shara is a classic Latina. But here's the similarity: boob versatility. Oh, the things these two girls could and can do with their tits!

Shara takes centerstage and puts on a tit show the likes of which very few girls are capable of. “I am a very sexual woman,” Shara said. “When I was 16, I was scared that I was not going to have nice breasts. I worried about this. Then, suddenly, they began to grow and grow. And now look at them. I love them because they are so big. I have names for them. The right one is called Maria and the left one is Angie.” So, in this photo, Maria is stacked on top of Angie.

THEY CAN TIT-FUCK WITH THEIR ARMS!

RACK TO THE FUTURE

The dictionary defines "supple" as "bending and moving easily and gracefully; flexible. Lithe. Limber. Easily manipulated." But here's the deal: Huge tits, even naturals, are usually not easily manipulated. That makes Debbie and Shara (and a handful of other girls through the decades, such as Cathy Patrick, Autumn-Jade and Gya Roberts) exceptions to The Laws of Big Tits. Debbie was, indeed, special. As we wrote on the new website SCOREClassics.com, "If you went to England's news shops back in the day and looked up at the top shelf where the girlie magazines were racked, you would have seen the many times Debbie was a covergirl. She sold magazines." Debbie and Shara have another thing in common: their ability to get you hard with just one look. Debbie was long admired for her talent at giving good eye-bangs, sending a "fuck-me" message to the viewer. Shara, so sultry and sexy, can do the same thing. And when a girl can bang you with her eyes and do wonderful things with her tits…well, it doesn't get any better than that!

Of course, models are doing more-explicit things today than they did back in the ’80s. Here, Shara is doing one of those things: spreading her pussy as wide as possible. In the June/July ’18 issue, she did another: She fucked on-camera for the first time. But if you’re one of those guys who thinks it’s all about the tits, then Shara’s top rack is all you need. Supple. Flexible. Perfect.

UDDER PERFECTION

RACK TO THE FUTURE

DANNI ASHE AND VALORY IRENE HAVE PERFECT TITS

Beauty is in the eye of the beholder, and everyone has their own idea of perfection. But if you were to ask the average person what the perfect pair of breasts looks like, they'd probably say something along the lines of, "Big but incredibly firm. Gravity-defying. Shaped like a ski-jump, sloping down then upwards so gently but pleasingly." Next to this definition of "perfect breasts" would be a picture of Danni Ashe, a big-tit pioneer of the late 1990s. And next to her would be Valory.

Valory Irene once told us, "I am a shy girl who is living her dream." She has been making our dreams come true since she flew from her home in Ukraine to the Dominican Republic for her first photo shoots in 2010. "Modeling is the wildest thing I have ever done. I never thought of myself as a star, so it is nice to get so much attention. It makes me feel very good to know that so many men enjoy looking at me." Never a prima donna, always a girl-next-door…that's Valory.

When Valory finds out that we compared her to Big-Boob Hall of Famer Danni Ashe, she'll probably blush and say, "I am not nearly as good as her." But the truth is that when big-boob lovers think of perfect tits, the first two names (and pairs) that come to mind are Danni and Valory. "When I walk down the street, of course men whistle at me and try to get my attention. I never discourage them. I enjoy that they appreciate my body and my style. For me, it is about stimulating a man's eyes." Valory has been a feast and stimulation for our eyes since her first shoot.

A PAIR OF RACKS THAT DEFY GRAVITY!

RACK TO THE FUTURE

This photo of Danni was taken during Boob Cruise '97 (Danni sailed on three Boob Cruises). The photo of Valory, which is not from the photo set featured on the remaining pages of this pictorial, was taken in the Dominican Republic. They show how strikingly similar Danni and Valory are not only in breast shape but in body type. They're both super-thin for girls with such big tits. But let's focus on those racks for a while: the ski-jump shape, the perfect slope and rise, the sno-cap areolae (Danni's are a little darker).

Rarely will you see two girls this busty who don't need to wear a bra (although both girls always wear bras because they want to retain their perfect boobs). But bra or no bra, perfect tits like these can only come naturally. Valory and Danni, two models whose careers were separated by over 25 years, are simply gifts from God. When we decided to do this "Rack To The Future" issue, traveling between the past and present, Danni and Valory were the first two girls we thought of. And now, here they are in all their tit-rific glory.

EXOTIC EURO GIRLS

RACK TO THE FUTURE

HOW DO YOU SAY "DAS WUNDERBABE" IN ROMANIAN? "ALEXYA!"

In the early days of *SCORE* in the 1990s, two girls ruled the naturally stacked universe, and they couldn't have been more different. One was Linsey Dawn McKenzie, the teen tit dream from the UK. The other was Chloe Vevrier, a dusky, sexy German girl who we called *Das Wunderbabe*. She had sultry, exotic looks, a beautiful face, piercing eyes, long, shapely legs and a great pair of tits. She could melt a man's heart with just one look. It took us nearly 25 years to find another: Alexya.

Alexya exudes so much natural sexuality that it's hard to believe she doesn't do hardcore (Chloe didn't, either, until the late 1990s, and she did only two XXX scenes). She oozes sex. She thinks about it constantly. "I was in the cinema," she related. "It was almost full. The movie was in 3D, and we were all wearing those glasses. I was alone, and I started to touch myself slowly. After a while, a man near me saw me and watched what I was doing. I didn't stop. When the movie was over, I left the theater. I think he tried to follow me, but I was with the crowd so he could not find me." He can find her now in the pages of *Voluptuous* (where she won Newcomer of the Year) and *SCORE*, where she was first runner-up for 2017 Newcomer of the Year.

EXOTIC, SULTRY, SEXY & BEAUTIFUL

RACK TO THE FUTURE

SCORE chief John Fox recalled the first time he and famed photographer John Graham saw test shots of Chloe in 1992. "We couldn't believe our eyes. She was a superstar before she even posed." Chloe debuted as the covergirl of the January 1993 issue, became the first girl to have her own TSG website (ChloesWorld.com, which is still going strong) and, in 2009, was inducted into the Big-Boob Hall of Fame. In 2001, she joined us for what would become one of our most-successful on-location shoots, in Key Largo, Florida with Lorna Morgan, Kerry Marie and Chaz. Seventeen years later, just this past spring, Alexya traveled to the North Coast of the Dominican Republic for another on-location shoot. All of the girls there, super-stacked and gorgeous themselves, were stunned by Alexya's beauty and breasts (not surprisingly, she was featured in June/July 2018's "Beauty & The Breasts" issue). *SCORE* Girls come in all shapes, sizes and appearances. But there have never been two girls quite like Chloe and Alexya.

VANESSA Y. IS SO HOT, AND IN JUNE/JULY, SHE GOT HOTTER

Dear *SCORE*,

Vanessa Y. is so sexy, elegant, hot and stylish. She moves like a cat and teases like an exotic stripper queen. Those red-hot, elegant fishnet stockings and the high-heeled black boots…just wow! She could melt all that snow! Hotter than hell and like a fine wine, always getting better with age.

The vision of Vanessa wearing that sexy lingerie in cowgirl position, straddling "him," facing forward and kinda squatting for a little while, drove me crazy!–E.M., via email

SHARA LOPEZ & THE ART OF SELF-SUCKING WHILE FUCKING

Dear *SCORE*,

I love Latinas, and newcomer Shara Lopez (June/July '18) is one of the best you've had in a long time. Your recent streak of Latina girls, including Shanie Gaviria, Katy Shavon and Alessandra Miller, has been spectacular. 2018 is shaping up as "The Year of the Latinas."

Seeing Shara in hardcore action almost made my heart stop. The video, with her big, jiggling tits, was great, too. I loved the photo of Shara tugging on her tit while sucking cock. The centerfold of Shara self-sucking one nipple while getting fucked was reminiscent of the underrated Cassitty Harmon hands-free self-sucking on both tits while bouncing up and down on a cock. That scene will never be topped, but Shara's came close.

You just have to get the Colombian girls together in one scene, whether for some lezzie action or an orgy or both. That would be the highlight of all the years I've been reading *SCORE* magazine. Of course, a hardcore scene with one lucky guy having his way with all three Colombian girls would be the ultimate (and not just because I'm from the American version of Colombia!). I love the fantasy of an American tourist who goes to Colombia and meets up with all three girls then gets the grand tour.

ERIN STAR'S RACK REMINDS US OF CHRISTY MARKS'

So, before returning home, our big-boob time travel machine makes its final stop at an unexpected destination. When we first laid eyes on Erin Star in the Oct. '17 issue, we couldn't help but compare her to her busty sister, Helen. After all, how often have we had sisters in *SCORE*? Just once, as a matter of fact. But a few months later, your *SCORE* editor was enjoying the website ChristyMarks.com when he realized, "Holy, shit, Christy's tits are almost identical to Erin Star's!"

Hey, it's not easy being compared to one of the all-time greats, especially when you're only 20 years old, but Erin can handle it. After all, she was first runner-up for 2017 Newcomer of the Year and came close to wearing the crown. Besides, by the time she's finished developing, Erin might end up being even busti-er than Christy. We say that because Erin joined us on our recent on-location shoot in the Dominican Republic, and her breasts had grown at least a cup-size.

TIT TWINS: CHRISTY MARKS & ERIN STAR

Just as an experiment, cover Christy and Erin's faces with one hand and the bottom half of their bodies with the other. It's uncanny, isn't it, how similar their tits are? A person who didn't know better might say, "That's the same girl!" Like we said, Erin is more similar to Christy than she is to her own sister (who's dark-haired and has one inverted nipple; Erin has two). Comparisons to Christy are not easily undertaken. Christy is one of the greatest naturals ever (and finished first in *SCORELAND*'s Best of the Decade voting for the years 2000-'09), but this photo proves Erin is up to the comparison. Will she go on to have a long, great modeling career like Christy had? Will she go all-the-way on-camera like Christy did many times (for now, we doubt it; Erin is just too shy)? The answers to those questions remain to be seen. But for now, Erin has the right to boast, "I was compared to an all-time great!"

"I like to dress sexy and show how busty I am," Erin said. "That gets me a lot of attention, and I like it." By the way, Erin said those words through a translator. She's Romanian and, like her sister, speaks very little English. In fact, the sisters brought along a translator for their trip to the Dominican Republic's North Coast so they'd feel more comfortable communicating with our staff (although two other Romanians, Alexya and Kitty Cute, joined them on the trip). Of course, Erin communicates quite nicely with her bodacious body. Like Christy, she's fun and sexy. Is she on her way to becoming one of the great naturals?
